

WA Peer Supporters' Network Strategic Plan (2014 – Current)

OUR VISION

Peer support is accepted, recognised, acknowledged and utilized as a key role in society and at the heart of humanity.

OUR VALUES:

Respect

Compassion

Self-Empowerment

Inspiration

Humanity

OUR GOALS

Connect & Support

(Networking, Sharing & Mutual Support)

To be an independent peer to peer network for connection, support, wellbeing and development.

Develop & Grow

(Knowledge, Skills & Capabilities)

Peer supporters can advance their roles & skills through peer-led education, supervision & resources

Advance & Value

Grow Uptake, Recognition & Value)

The Network grows & advances peer support through working, advising & advocating together.

OUR PRIORITIES

1. Reach out and grow connection to the network, across sectors and walks of life
2. Ensure peer supporters' views and needs drive the Network's priorities.
3. Grow access to mutual supports and connections where needed, e.g. help lines, debriefing, peer work employment advice, information & advocacy.

1. Grow knowledge and skills through events, meetings and information sharing.
2. Grow opportunities for peer-led and co-produced peer support education across a range of sectors.
3. Grow access to role guidance and standards, mentoring and supervision.

1. Undertake awareness raising, education, advocacy and partnerships for change with community, services and government.
2. Advance the evidence base for peer support through research, education, consultation and advice.
3. Develop peer-led standards, guidance and advice to services to achieve effective peer support.
